

Diet remedies for
Hypothyroidism

Your Guide to Thyroid dysfunction

Diet Remedies for Hypothyroidism

- * Coriander Seed Water – a simple morning herbal drink; mainly useful for hydration and digestion.*
- * Amla – provides vitamin C and antioxidants.*
- * Soaked Brazil Nuts – rich in selenium; usually 1–2 nuts are enough because excess selenium can be harmful.*
- * Pumpkin Seeds – a useful dietary source of zinc and magnesium.*
- * Flaxseed Powder – provides fibre and plant-based omega-3 fats.*
