

Diet remedies for
Healthy Skin

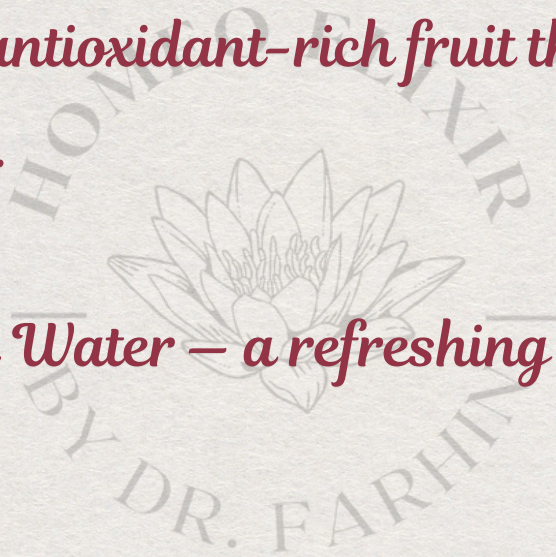

Your Guide to Healthy Skin

Diet Remedies for Healthy Skin

- * Amla Water / Amla Shot – rich in vitamin C and antioxidants that support normal collagen formation.*
- * Chia Seed Water – provides fibre and plant-based omega-3 fats.*
- * Flaxseed Powder – a source of healthy fats that can support overall skin nutrition.*
- * Soaked Almonds + Walnuts – provide vitamin E and unsaturated fats.*
- * Pumpkin + Sunflower Seeds – provide zinc, selenium and vitamin E.*

Diet Remedies for Healthy Skin

- * Carrot + Beetroot Juice – provides carotenoids, folate and other micronutrients.*
- * Pomegranate – antioxidant-rich fruit that can be included regularly.*
- * Cucumber + Mint Water – a refreshing way to support daily hydration.*
- * Tomato – provides lycopene and vitamin C.*
- * Protein-Rich Foods – eggs, fish, chicken, dal, paneer or yogurt provide amino acids needed for normal skin structure.*
