

Diet remedies for
PCOD

Your Guide to PCOD

Diet Remedies for PCOD

- * Cinnamon Water – a simple unsweetened drink that may complement a balanced diet.*
- * Spearmint Tea – small studies suggest possible benefits for androgen-related symptoms such as excess facial hair, but evidence is limited.*
- * Flaxseed Powder – provides fibre and plant omega-3 fats.*
- * Soaked Fenugreek (Methi) Seeds – can be included for fibre and metabolic health; evidence specifically for PCOS is limited.*
- * Chia Seed Water – adds fibre and healthy fats to the diet.*

Diet Remedies for PCOD

** Amla – a vitamin-C-rich fruit with antioxidant value.*

** Pumpkin + Sunflower Seeds – provide zinc, magnesium, vitamin E and healthy fats.*

** Walnuts + Almonds – useful sources of unsaturated fats and micronutrients.*

** Apple Cider Vinegar – evidence for PCOS is weak; if used, keep it diluted and avoid it if it causes acidity or reflux.*

** Protein-Rich Breakfast – eggs, paneer, Greek yogurt, dal or sprouts can improve meal balance and satiety.*
